

Quick Guide to Left Foot Accelerator Type

Please note this guide only refers to Jeff Gosling products and only lists some of the current, popular vehicles. If your model is not listed, please contact us on 0161 430 2151.

The type of left foot accelerator (LFA) available is dependent upon the style of OEM accelerator pedal. The below list indicates whether a vehicle would have a twin-folding or electric style left foot accelerator.

Make/Model	LFA Type
Abarth	
595	Twin-Folding
